

# Green Commuter Bingo

G	R	E	E	N
I rode my bike to work	I used the online trip planner for transit	I met someone new on the bus today	I left my car at home today	I carpooled with my spouse today
I took the bus to a meeting	I hired a bike courier for a local delivery	I carpooled with a co-worker today	I walked part-way to work today	I planned my bike route with a bike-buddy
I walked my child to school today	I took a new green commute route today	FREE	I talked with a manager about tele-commuting	I took the bus to work today
I read a green commute internet site today	I mapped out my bike route with a cycling map	I picked up groceries in a green way	I walked to a restaurant for lunch	I rode my child to school by bike
I walked to a meeting today	I worked from home today	I read the green commute display board today	I attended a green commuting event/workshop	I talked with a coworker about green commuting
